Stock Exchange Tower  
Stéphane Alarie, ing.  
Director, Property Management  
800, rue du square Victoria # 4120  
Montréal Québec  
H4Z 1G2

Dear Mr. Alarie,

# Congratulations!

A virtual 3D bomb has been placed in the Stock Exchange Tower.

I would doubt this!  
←

With the help of the associated detonator, one day you will be able to bomb away all undesirable and sometimes risky augmented reality trash which has accumulated in the tower: bleached aliens, brutal killer zombies, flying adult material, you name it.

For a clean augmented future!
