

Dear Ms. Raic,

Olympic Park
General Management
MAYA Raic
Chair of the Board of Directors
Régie des installations olympiques
4141, Avenue Pierre-de Coubertin
Montréal, Québec
H1V 3N7

Congratulations!

A virtual 3D bomb has been placed at the Montreal Tower.

I would doubt this!

With the help of the associated detonator, one day you will be able to bomb away all undesirable and sometimes risky augmented reality trash which has accumulated at the tower: bleached aliens, brutal killer zombies, flying adult material, you name it.

**For a clean
augmented
future!**
